# Hand & Tool Wipes

## Hand and surface cleaning

### Power Wipes® Hand & Tool Wipes

Multi-purpose towels are great for cleaning hands when water isn't readily available. With a fresh citrus scent, Power Wipes® Hand & Tool Wipes and Ultra Hand & Tool Scrubber Wipes remove grease, tar, ink, paint and many other hard to remove soils. They condition hands with glycerin, aloe vera and vitamin E which prevents drying and irritation. The solvent-free formula is VOC-free and environmentally safe.

Power Wipes® Hand & Tool Wipes contain a smooth-textured towel while Power Wipes® Ultra Hand & Tool Scrubber Wipes use a dual-textured towel with a purple scrubber on one side for deeper cleaning of the toughest grime. In addition to hands, both wipes provide heavy duty cleaning for dirt, oil, grease and adhesives on industrial equipment, tools and surfaces.
